

A detailed black and white map of the city of Karlsruhe, Germany, showing a dense network of streets, buildings, and infrastructure. The map is centered on the city's central business district and extends to its surrounding residential areas and industrial zones. Key landmarks visible include the Palace Square (Schlossplatz) in the center, the Rhine River (Rhein) flowing through the city, and various parks and green spaces. The map uses grayscale shading to represent different land uses and elevations.
